For the safety of all using our equipment please read these conditions as you must agree to them prior to the hire of any of our equipment.

1. Supervision by a responsible adult is required at all times.
2. Adult supervisors must be aware of the positioning of the electrical and mechanical equipment with the relevant castles and ensure that children are kept clear.
3. Never switch the blowers off when in use.
4. It is recommended to regularly check the inflatable is securely pegged down.
5. Please ensure that the age limits with the relevant castles are adhered to.
6. Footwear is not to be worn on the castles.
7. Do not wear or take any hard objects onto the Inflatable that may damage them (jewellery, toys etc).
8. We recommend that Spectacles should not be worn on the castles.
9. Please do not allow anyone on the Inflatable when inflating and deflating.
10. No climbing on walls, sitting on top, eating or drinking, pushing, bumping into each other or overcrowding when using castles.
11. No face paints, coloured streamers or silly string to be used on the castles as they may discolour them and you will be liable for payment to clean or repair.
12. No pets allowed on the castles.
13. Please ensure that age and size segregation is adhered to in order to avoid accidents.
14. We also recommend that anyone with any medical conditions should not use the castles (neck, back pain, recent injury to limbs etc).
15. Water fights are fun however great care should be taken not to cause injury to yourself and others.
16. In the event of rain, rain covers must be fitted as soon as possible where provided.
17. Please ensure that the inflatable is clean prior to pick up.
18. In the event of any delivery driver being late in returning to pick up the inflatable, the hirer will be held responsible for the safe keeping of all equipment until collected.

**Please note:**

Once the hirer has accepted and signed for the inflatable equipment, the owner cannot be held responsible for inclement weather. No refunds will be made.

Inflatable's can be dangerous to use in persistent rain and it is recommended not to use them due to the slippery surface that could cause accidents and injury.
